These regulations are intended to supplement only those provisions in the City Codes that may be modified as a part of a PUD and shall not be construed to replace or modify other provisions or regulations in the City Codes.

**Section 3: Findings**

The beneficial effects of the proposed site plan and supplemental PUD regulations are as follows:

- (A) The expansion of convenience retail options at this site will benefit the surrounding neighborhoods.
- (B) The architectural design standards set by the PUD will ensure appropriate development of this gateway site.
- (B) Additional job opportunities within the City limits will result from the expansion of the retail store.
- (C) The Mallets Creek watershed will be protected and enhanced by the expanded storm water management system within the development.
- (D) The parcel described above meets the standards for approval as a PUD, and the regulations contained herein constitute neither the granting of special privilege nor deprivation of property rights.
