4. I still have the following questions....

Strategic Planning

The AAPS Strategic Planning Committee will reconvene this spring to evaluate the implementation process of the Strategic Plan to date and to look for new goals and opportunities.

Please provide input for the Strategic Planning Committee on the areas you believe the district should focus on in the strategic long range planning process.

If you are interested in becoming involved in the Strategic Planning Process please leave us your name, contact information and which Action Team you are interested in. The Strategic Planning Committee is made up of parents, staff, community members and students.

Action Teams

Team 1: We will create a complete educational program featuring personalized learning that realizes student aspirations and meets international standards.

Team 2: We will develop and implement a personalized learning plan for each student.

Team 3: We will actualize the potential for excellence in all students through inspiration and support.

Team 4: We will ensure meaningful learning through effective teaching.

Team 5: We will implement a system to ensure continuous development of staff capacity.

Team 6: We will inform and engender trust and support from our constituents to accomplish our mission and objectives.

Team 7: We will create and maintain physical learning environments that enable us to fulfill our mission.

Team 8: We will ensure resources adequate to accomplish our mission and objectives.
