

AATA invites you to **Adopt-A-Stop!**

This AATA program partners with volunteers who **Adopt-A-Stop** to pick up litter around a bus stop to keep the surrounding areas and neighborhoods clean. Everyone benefits from this environmentally conscious program: property owners, transit riders and the community as a whole!

TheRide has many opportunities for you to **Adopt-A-Stop**. Individuals, civic groups, homeowners, private companies, public agencies, churches, students and scout troops are welcome to join in the effort to make AATA bus stops safer, cleaner and more accessible.

Join more than 50 community-minded **Adopt-A-Stop** sponsors who already pick up litter at a designated bus stop, empty the trash receptacle and recycle or dispose of the trash properly. During the winter, sponsors can help brush snow off a bench seat or sweep away snow between the bus stop and the street.

In exchange for your efforts, AATA will provide:

- Thank-you gift
- One litter container installed by TheRide
- An Adopt-A-Stop sticker affixed to the container recognizing your care for the bus stop, if desired
- Inclusion on a list of **Adopt-A-Stop** sponsors on TheRide.org

Scooter says . . .

- Demonstrate your civic pride!
- Help keep our community clean!

To **Adopt-A-Stop, contact the Adopt-A-Stop Coordinator at <mailto:AdoptAStop@TheRide.org>, or call 734.973.6500.**

Special thanks to our **Adopt-A-Stop volunteer partners:**
