Hi Jeff:

Sorry to hear this. It may take a little time to find a good replacement but you should not feel compelled to continue if you have other pressing matters. I would like to talk to you and get your impressions of the commission.

Thanks!

John

Hi John-

I wanted to let you know that I have decided to step down from the art commission. I greatly appreciate the opportunity you provided me to serve, and hope I have had a positive impact in my limited time on board.

I can serve until you have identified a replacement or I can vacate the seat immediately - whichever works best for your scheduling.

If you'd like to chat about my observations or experiences while on the commission, I am, of course, happy to do so.

Thanks again,

Jeff Meyers
