

UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF MICHIGAN
SOUTHERN DIVISION

BLAINE COLEMAN,

Plaintiff,

v

Case No. 11-CV-15207
HON. MARK A. GOLDSMITH

ANN ARBOR TRANSPORTATION
AUTHORITY, ET AL,

Defendants.

ORDER REGARDING STATUS CONFERENCE

The Court held a telephonic status conference on June 25, 2012 at which it made the following rulings:

1. All Defendants shall produce to Plaintiff all advertisement documents as requested in Plaintiff's Request No. 5. These shall be produced on or before July 2, 2012.
2. All parties shall file memoranda, not to exceed three pages, regarding the action the Court should take in connection with Plaintiff's Request No. 6.
3. Although the Court stated its willingness to adjourn the evidentiary hearing to July 26, 2012, the Court has subsequently been informed that not all parties would be available on that date. The next date reasonably available to the Court would not be until September, and the Court does not wish to unduly delay resolution of Plaintiff's pending motion. Accordingly, the evidentiary hearing remains set for July 23, 2012.

SO ORDERED.
