

GRANT OF EASEMENT

KNOW ALL PERSONS BY THESE PRESENTS that the **CITY OF ANN ARBOR**, a Michigan municipal corporation, whose address is 301 East Huron Street, P.O. Box 8647, Ann Arbor, Michigan 48104, as fee owner of certain land located in Section 21, City of Ann Arbor, Washtenaw County, Michigan, does hereby grant and convey to **DTE Electric Company**, a Michigan corporation, whose address is One Energy Way, Detroit, Michigan, 48226, and easement for the construction and maintenance of electrical utility service in, on, and over the following described premises, situated in the City of Ann Arbor, County of Washtenaw and State of Michigan, to wit:

Located in the SW ½ Sec 21, T2S, R6E, and more specifically described as: As shown on attached legal description, Exhibit 'A', which attached hereto and made a part hereof

A 15 foot wide Right-of-Way described more fully on attached Detroit Edison drawing, dated 1/30/2013 as shown on attached 'Exhibit "B"'.

For good and valuable consideration less than \$100.00, the receipt and adequacy of which is hereby acknowledged, the parties hereby agree as follows:

1. For the purpose of providing electric service and Grantee communication service including the necessary poles, guys, anchors, wires, manholes, conduits, pipes, cables, transformers and equipment, upon, over, under and across the property described above. The rights hereby granted include the right of access to and from the said premises, the right to construct, modify, operate and maintain said line facilities.
2. Grantee, in connection with the construction, inspection, maintenance, and/or repair of said underground electrical utility line facilities and above-ground appurtenances to said facilities, shall take reasonable steps to minimize the interference with the City's property. Grantee's employees and/or contractors shall take affirmative actions to reduce the impact to City parking spaces in Riverside Park and provide notification in advance to the City, and any parking space lessee, should it be necessary to utilize Riverside Park parking spaces for construction. In addition, should it be necessary to utilize Riverside Park parking spaces for construction, alternate parking spaces will be made available on Grantee property in either at Grantee's Ann Arbor Service Center location or in

the open space north of Grantee's Truck Shelter, or other site mutually agreed upon by the parties. Grantee also agrees to provide advance written notice to Grantor's Project Management Service Area of its initial construction plans and to coordinate with Grantor the planned paving work for Canal Street and construction of the new parking area at the west end of Riverside Park.

3. No buildings or other permanent structures are allowed in Easement Area without Grantee's written consent.
4. Grantee may trim, cut down, remove, or otherwise control any trees, bushes, branches and roots in the easement area (or that could grow into the easement area) subject to the following conditions:
 - (a) Grantor's Parks and Recreation Manager will be provided advance written notification, by Grantee of work schedule for planned activities in or adjacent to Riverside Park. Grantee will provide Grantor with contact information for Grantee's facilitator and contractor(s) for all construction work. Grantee shall not make any change in the grade or natural environment of the surface within the Easement Area without prior notification to and approval by Grantor.
 - (b) Grantee's tree removal work authorized under this subsection shall be done under the direction of an experienced arborist.
 - (c) Prior to pole construction, Grantee will provide Grantor's Parks and Recreation Manager of a copy of its design and/or construction plans, which shall include the location of pole drop areas and initial tree removal numbers.
 - (d) Grantee will chip and remove from the site any tree cut down or branches removed. Trees will be cut at ground level. Stumps of trees will be ground down below grade by a landscape contractor. At the Grantor's option, the Grantor may accept the logs from tree trunks and major branches for its use. If the Grantor accepts any log or branch, Grantee shall have no further responsibility for its disposal.
 - (e) Grantee agrees to install replacement trees, per approved design plans, removed during pole construction under the direction of a landscape contractor and pay Grantor funds in the amount of Twenty-three Thousand Eight Hundred dollars (\$23,800) to mitigate the impact on the natural features of Riverside Park as required by Ann Arbor City Code for disturbed areas that will not be replanted. The location of the replacement trees will be determined by a planting plan prepared by Grantor. The planting plan shall be prepared so that no trees, plant life, or fences are planted, grown or installed within eight feet of the front door and within two feet of the other sides of transformers and switching cabinet enclosures. Grantee will not be responsible to Grantor for damages to or removal of trees, plant life and fences placed in front of the transformer doors.
5. If Grantee's employees, contractors, vehicles or equipment damage Grantor's land while entering Grantor's land for the purposes stated in the easement, then Grantee will restore Grantor's land as nearly as can be to its original condition.

6. Grantee shall defend, indemnify and hold the City harmless from any and all liability, damage, expense, including reasonable attorneys' fees, cause of action, suit, claim or judgment arising from bodily injury, death or property damage sustained by Grantee or any of Grantee's employees, agents, and contractors which occurs in, on or under the Easement Area, and which occurs in connection with the construction, inspection, maintenance and/or repair activities and to the extent caused by Grantee's negligence.
7. Exempt under MCL 207.505 (a) and MCL 207.526 (a).
8. Under 1974 Public Act 53, Grantor agrees to call MISS DIG (811) before excavating in the Easement Area.

This grant of easement shall run with the land and shall be binding on and shall inure to the benefits of the parties hereto, their successors, heirs, executors, and assigns.

Dated this ____ day of _____, 2013.

POLE LINE EASEMENT

A Pole Line Easement being part of the Southwest 1/4 of Section 21 and the Northwest 1/4 of Section 28, Town 2 South, Range 6 East, City of Ann Arbor, Washtenaw County, Michigan, described as:

Commencing at the intersection of the centerline of Broadway Street (100 feet wide) and the centerline of vacated Canal Street (30 feet wide); thence South 58°32'16" East, 255.03 feet, along the centerline of vacated Canal Street (30 feet wide); thence South 28°33'34" West, 63.51 feet, along the Westerly line of an Alley 25 feet wide; thence South 58°44'00" East, 470.42 feet, along the Northerly line of Canal Street and it's extension westerly to said Westerly line of Alley 25 feet wide; thence South 31°16'00" West, 16.50 feet to the Southerly line of Canal Street and the POINT OF BEGINNING; thence South 58°44'00" East, 913.72 feet, along the Southerly line of Canal Street; thence South 31°16'00" West, 15.00 feet, thence North 58°44'00" West, 5.56 feet, thence South 26°26'04" West, 22.64 feet; thence North 63°33'56" West, 8.00 feet; thence North 26°26'04" East, 23.32 feet; thence North 58°44'00" West, 230.18 feet; thence South 34°33'29" West, 34.45 feet; thence South 38°03'03" West, 127.34 feet; thence South 39°07'48" West, 128.26 feet; thence North 86°17'28" West, 44.36 feet; thence North 03°42'32" East, 8.00 feet; thence South 86°17'28" East, 31.64 feet; thence North 39°07'48" East, 128.97 feet; thence North 38°03'03" East, 126.74 feet; thence North 34°33'29" East, 33.13 feet; thence North 58°44'00" West, 658.46 feet; thence North 44°32'00" East, 15.41 feet to the Point of Beginning. Containing 18561.84 sq. ft. (0.43 acres) of land, more or less.

Said easement is to construct, reconstruct, operate and maintain overhead and underground electric lines including poles, wires, manholes, conduits, cables and equipment. DTE Energy may trim or cut down any trees, bushes, or branches in the easement that DTE Energy believes could interfere with the operation and maintenance of its facilities. No buildings, structures or other encroachments shall be placed in the easement without DTE Energy's prior written consent.
