Subject: Downzoning recommendation for Ann Street

Hello Chris,

Please forward this email along to Wendy Rampson as well. I do not have her email address. The purpose of this email is to follow up on the letter that I sent to Wendy Rampson in May 2013 expressing that I was opposed to downzoning the University of Michigan Credit Union property on Ann Street. I then met with Erin Perdu and expressed the same. I have read that the recommendation for the downzoning which is being presented to the Planning Commission tonight in final draft and I reiterate that I am completely opposed to the downzoning. As I mentioned to Erin and as I indicated in the survey there is no real reason why this piece of property should even be questioned for downzoning. Are you able to provide me with a reason why it has been targeted? There are no residential units around this property.

The downzoning recommendation is unacceptable to the University of Michigan Credit Union and the 55,000 members that we serve.

Thank you,

Tiffany Ford
