- 4.2 The undersigned may extend the Term for one (1) additional Five (5) year period (the "Renewal Term") on the same terms and conditions as set forth herein. This Agreement shall automatically be extended for the Renewal Term unless one of the parties notifies the other of its intention not to renew prior to commencement of the succeeding Renewal Term through an advanced written notification to the other parties, to be sent no later than One Hundred and Eighty (180) days prior to the expiration of the Term.
- 4.3 In addition to the termination rights set forth elsewhere in this Agreement, this Agreement may be terminated in accordance with the following provisions: (a) each Participant may terminate this Agreement if the other Participant commits a material breach of this Agreement and fails to correct such breach within Ninety (90) days of its

receipt of written notice of the breach from the non-breaching party; (b) a Participant may, subject to the notice provisions of provision 4.7 terminate this Agreement if it decides to withdraw from the Initiative, provided that if Participant is a Provider or Subscriber of any Services and it decides to terminate provision of or receipt of any services for reasons other than breach of the Agreement, the respective terminating Participant shall be responsible to compensate the non-terminating Participant for work performed and authorized pursuant to agreement as provided in provision 4.7 together with any additional costs incurred by the non-terminating Participant in order to have provided the Services as defined in r provision 4.6; and (c) either Participant may terminate this Agreement upon written notice to the other Participant in the event the Initiative and/or the Services for the Initiative is rendered illegal by any federal and/or State of Michigan law or regulation

- 4.4 The Parties acknowledges that, if this Agreement extends for several fiscal years, continuation of this Agreement is subject to appropriation of funds for the provision of Services identified in the various Schedules. A Subscriber shall give a Provider written notice of such non-appropriation within thirty (30) days after it receives notice of such non-appropriation. Notice of non-appropriation does not relieve a Subscriber of its obligation under provision 4.3(b) for Services performed and accepted prior to the Termination Date.
- 4.5 At the Expiration Date of the Agreement, a Provider may agree to continue existing services, or a portion thereof for a period of time and/or otherwise provide parallel services for testing as part of the transition process to a new 3rd party provider for a Subscriber (hereafter "Transition Services") provided that termination was not the result of a Subscriber's breach of the agreement between the Provider and the Subscriber. Any Transition Services to be provided shall be by separate written agreement between the Provider and Subscriber and shall at minimum include provisions identifying the transition services and scheduled costs for same. It is acknowledged that Transition Services for Providers and Subscribers will not be the same.

- 4.7 Except when termination occurs as a result of a Subscriber's breach, if a Provider terminates a Scheduled Service, the notice of termination to a Subscriber shall provide for a 12 month Transition Period ("Transition Period"), in addition to the 180 day notice requirement specified in provision 4.2 . This twelve month Transition Period is intended to provide Subscriber with adequate time to budget, procure and establish a

replacement service for the Scheduled Service being terminated by Provider. Unless otherwise mutually agreed to in writing by the parties, Provider and Subscriber respective obligations under the Scheduled Service documentations, including but not limited to payment for service obligations, shall continue in full force and effect from the date of notice of termination until the expiration of the Transition Period.

Article V - General Obligations and Relationship of the Parties

- 5.5 Each Provider warrants that it has all the skills, experience, and professional licenses necessary to perform the Services specified in this Agreement.

- 5.8 All Annual payments for service will be due to Participants, from Subscribers, by the Annual Payment Date.
- 5.9 Any new or additional Service subscribed to during the Calendar Year shall have an initial cost prorated to the next Annual Payment Date.

Article VI - Liability

- 6.1 No Participant shall be liable, accountable or responsible in any way for any acts, omissions and/or breaches of this Agreement by any other Participant, including any other Participant's employees, agents, representatives and contractors, and that each Participant's sole and exclusive remedy in connection therewith will be an action or claim directly against the applicable Participant under this Agreement or any Schedule thereto. However, nothing in this Article VI shall limit Provider's rights to terminate this Agreement as to any Participant in accordance with the provisions of Article IV above. Except as otherwise provided in this Agreement, each Participant shall be responsible for its own acts and the acts of its employees, agents and representatives, the costs associated with those acts, and any defense related thereto under this Agreement or any Schedule thereto.
- 6.2 No Participant, or its officers or employees makes any warranty, express or implied, including warranties of merchantability and fitness for a particular purpose, or assumes any legal liability or responsibility for the accuracy, functioning, completeness or usefulness of a Schedule Service.
- 6.3 Except as expressly provided herein, in no event shall any Participant be liable to Providers in connection with this Agreement or any Schedule thereto, regardless of the form of action or theory of recovery, for any: (a) direct, indirect, special, exemplary, consequential, incidental or punitive damages, even if a Participant is aware of the possibility of such damages; and/or (b) lost profits, lost revenues, lost business expectancy, business interruption losses and/or benefit of the bargain damages. Provider's sole remedies against any Participant for breach of this Agreement shall be termination of this Agreement in accordance with their terms and/or an action for equitable remedies. Notwithstanding the foregoing, the limitations of this Article VI shall not apply to any Participant's gross negligence, recklessness and/or intentional misconduct.
- 6.4 Notwithstanding any other provisions of this Agreement, including, without limitation, the provisions of Article VI, nothing in this Agreement constitutes a limitation or waiver of any governmental immunity provided by applicable law. All applicable laws related to governmental immunity shall govern over any conflicting or inconsistent term of this Agreement and any unit of government shall be entitled to the full benefits and protections of such laws.

Article VII - General Terms

- 7.1 Unless otherwise stated in this Agreement, any intellectual property owned by a Participant prior to the effective date of this Agreement (i.e., Preexisting Information) shall remain the exclusive property of that Participant even if such Preexisting

Information is embedded or otherwise incorporated in materials or products first produced as a result of this Agreement or used in the delivery of Services. A Subscriber's right under this provision shall not apply to any Preexisting Information or any component thereof regardless of form or media.

- 7.2 No Participant shall be responsible or liable for any delay or failure in performing its obligations under this Agreement if such delay or failure is the direct result of causes outside of that Participant's reasonable control, including, without limitation, power outages, accidents, strikes, fires, war or acts of God; provided that such Participant uses best efforts to resume performance of its obligations as soon as practically possible.
- 7.3 This Agreement will be governed and controlled in all respects by the laws of the State of Michigan, including interpretation, enforceability, validity and construction, excepting the principles of conflicts of law and the federal laws of the United States. The parties submit to the jurisdiction and venue of the Circuit Court for Washtenaw County, State of Michigan, or, if original jurisdiction can be established, the United States District Court for the Eastern District of Michigan, Southern Division, with respect to any action arising, directly or indirectly, out of this Agreement or the performance or breach of this Agreement. The parties stipulate that the venues referenced in this Agreement are convenient and waive any claim of non-convenience.
- 7.4 Whenever possible, each provision of this Agreement will be interpreted in a manner as to be effective and valid under applicable law. However, if any provision of this Agreement or the application of any provision to any Participant or circumstance will be prohibited by or invalid under applicable law, that provision will be ineffective to the extent of the prohibition or invalidity without invalidating the remainder of the provisions of this Agreement or the application of the provision to other parties and circumstances.
- 7.5 Whenever a Participant's consent is required, same shall not be unreasonably withheld or delayed. Any waiver of a Participant's right or remedy related to this Agreement must be in writing, signed by that Participant to be effective. No waiver shall be implied from a failure of either Participant to exercise a right or remedy. In addition, no waiver of a Participant's right or remedy will affect the other provisions of this Agreement. Absent a written waiver, no act, failure, or delay by a Participant to pursue or enforce any rights or remedies under this Agreement shall constitute a waiver of those rights with regard to any existing or subsequent breach of this Agreement. No waiver of any term, condition, or provision of this Agreement, whether by conduct or otherwise, in one or more instances, shall be deemed or construed as a continuing waiver of any term, condition, or provision of this Agreement. No waiver by either Participant shall subsequently affect its right to require strict performance of this Agreement.

- 7.7 The remedies provided in this Agreement will be cumulative, and the assertion by a Participant of any right or remedy will not preclude the assertion by such Participant of any other rights or the seeking of any other remedies.
- 7.8 This Agreement does not, and is not intended to, impair, divest, delegate or contravene any constitutional, statutory and/or other legal right, privilege, power, obligation, duty or immunity of the Parties.
- 7.9 The parties agree that each shall comply with the United States Constitution and all federal and Michigan laws and regulations governing fair employment practices and equal employment opportunity and prohibition of discrimination.
- 7.10 This Agreement, together with any affixed exhibits, schedules or other documentation, constitutes the entire understanding between the Parties with respect to the subject matter of the Agreement and it supersedes, unless otherwise incorporated by reference herein, all prior representations, negotiations, agreements or understandings whether written or oral. Neither Participant has relied on any prior representations, of any kind or nature, in entering into this Agreement. This Agreement may be altered, amended or modified only by written amendment signed by the Parties. Except as expressly provided herein, the remedies accorded the parties under this Agreement are cumulative and in addition to those provided by law, in equity or elsewhere in this Agreement.
- 7.11 This Agreement and any amendments hereto may be executed in any number of counterparts, all of which taken together shall constitute one and the same instrument.

This Agreement has been negotiated on behalf of the Parties by their respective officers pursuant to authority delegated to them and by their respective governing bodies and is executed with the approval of the respective governing bodies.
