Subject: RFP 6598 COORDINATED FUNDING

Dear Coordinated Funding Applicants,

The Coordinated Funding Program Operations funding review committee has completed its review process and developed its final recommendation for RFP 6598. In an effort to ensure transparency and accountability, Community Development and United Way of Washtenaw County staff have a letter attached describing the coordinated funding application, review and decision-making processes along with the committee's final recommendations. These recommendations will be forwarded to the appropriate governing boards of the funding partners over the course of the next month.

Formal award notices will be sent out from our office to your agencies after June 1, 2011 after all the governing boards have voted on the recommendations. Community Development and United Way staff will be available to discuss application-specific questions or concerns you may have after final award notices have been distributed.

Thank you for your continued hard work and commitment to Washtenaw County residents.

If you have any questions, please call me.

Anne
