Dear Mr. Copi,

Thank you for submitting information in response to our letter dated July 1, 2011. We are in the process of reviewing the proof that you provided that your business was dispensing medical marijuana prior to August 5, 2011. Please provide the following additional information to assist us in this determination:

- Specific proof indicating that medical marijuana was being dispensed by the business prior to August 5, 2010 or that marijuana was acquired for purposes of dispensing. (For example, business records, invoices, or receipts showing transactions involving medical marijuana. Personal information may be redacted.)

Please submit all requested documentation to the City Clerk (301 E. Huron, 2nd floor) by 4 pm on Friday, August 12. After August 12th, you will be informed whether your business is eligible to submit a Medical Marijuana Dispensary License Application during the initial 60 day period, and if so, further instructions.

Please note that medical marijuana dispensaries or cultivation facilities found not to comply with the new zoning requirements or any other City ordinance will be subject to enforcement, including, but not limited to, ticketing and fines or other legal action. Also, nothing in this letter should be construed as indicating that the activities taking place on your property comply with state or federal law.

If you have questions, please contact Jill Thacher, City Planner, at 734-794-6265 x42608 or jthacher@a2gov.org.

Sincerely,
