Subject: RE: Second try (45 signatures): We request a public hearing on a City resolution to Boycott Israel

To: Mozghan Savabieasfahani <mozghan.savabieasfahani@gmail.com>

Dear Ms. Savabieasfahani,

I apologize for failing to respond to your first invitation.

I believe you and those who support your position have clearly conveyed your position on this issue and have clearly communicated to us what you would like Council to do. I do not believe a meeting is necessary.

I will not sponsor the resolution you have proposed or any resolution that would have similar effect. If another Council member bring such resolution forward, I will not support that resolution. I also do not support holding a public hearing on your request for a boycott.

Sincerely,
Jack Eaton
